## PERSONAL DATA

Place of residence: Melbourne, VIC  
Australian citizen

## PROFILE

- I am a self-taught, as well as bootcamp graduated, **full-stack** developer, eager to keep on learning at the very beginning of my career-change journey. I love well-formed and neatly structured data and therefore put a high emphasis for creating and building clean, modern and beautiful websites.
- 12+ years of experience in IT Sales helped me to develop facilitation skills, knowledge of business structure and ability to understand business domain, conduct value discovery and understand use cases relevant for various situations.

## EXPERIENCE

### FLANK

Start Up Computer Software

2022 - Present
